FYI- FL package may not be submitted for a few more days because of memo signature lags.

I guess they are waiting for Kathy to get back ☺

Best,
Whitney

Subject: FDEP updates

Just spoke to Heather. They're now expecting it will be a few more days before submission. She said they asked everyone for updates and got the following:

- The Corps MOA has to be reviewed by multiple levels at the Corps before signing and they could not give a date for signature.

- Same for SHPO agreement
- FWC indicated they would sign the “Big Fish Little Fish” MOU by Aug 12 but they’re hoping it will be sooner and then needs to go to USFWS for signature. Heather mentioned that they may not wait for USFWS signature to submit package as the MOU would not change after FWC signature
- Heather estimates the package submission will be approx. 150MB so we will not be able to transmit to Corps, USFWS, NMFS by email.

Subject: size of electronic files from FDEP

Kelly – I’m trying to think through the logistics of sending the contents of FDEP’s assumption package to the Corps, FWS, NMFS and the 3 Tribes. Ideally, the files could be attached to an email, but our ability to do that would be dependent on the total size of files. Would you please follow-up with Heather this morning to get an update on their submission and also find out what you can about the total size of their files? Thanks, Tom
